For technical reasons associated with color reproduction, the colors shown give only an indication of shade. No guarantee can be given that they will exactly match the powder product.

La technique d'impression des teintes sur papier ne peut pas reproduire avec fidélité l'aspect de nos peintures en poudre sur métal. De très légères différences peuvent donc être éventuellement constatées.

Per motivi tecnici associati alla riproduzione del colore, i colori mostrati danno solo una indicazione di tinta. Non è possibile garantire che il prodotto in polvere corrisponda perfettamente.

Renklerin tekrarlanabilirliğindeki teknik problemlerden dolayı, renkler sadece indikasyon olarak verilmektedir. Toz boya ürünü ile bu karteladaki rengin tam olarak tutacağına dair bir garanti verilemez.

Devido às limitações da reprodução de cores, as cores aqui expostas servem apenas de referência. Não há garantias de que estas sejam rigorosamente iguais às obtidas pela aplicação dos produtos.

Om technische redenen van kleurreproductie zijn de gedrukte kleuren slechts een indicatie van de werkelijke kleuren. Er kan geen garantie gegeven worden dat de kleur exact overeenstemt met de kleur van het poeder.
